

SPECIAL CONDITIONS

CONTENTS

These conditions amplify and supplement, if necessary, the General Conditions governing the Contract. Unless the Special Conditions provide otherwise, those General Conditions remain fully applicable. The numbering of the Articles of the Special Conditions is not consecutive but follows the numbering of the Articles of the General Conditions. In exceptional cases, and with the authorisation of the appropriate Commission departments, other clauses may be added to cover specific situations.

Article 2 Language of the Contract

- 2.1 The language used shall be English.

Article 4 Communications

- 4.1 Any communication related to this Contract between the Contracting Authority and the Contractor shall be in writing, stating the number and title of the contract. Communication shall be in English or Romanian (in case the Contractor is from the Republic of Moldova). All documents related to the implementation of this contract must be sent through email and when required by post address. The addresses designated by the Parties for that purpose are the following:

Article 9 General Obligations

- 9.9 All vehicles used in EU-financed actions must be clearly identified, and visibly bear the EU emblem and the phrase 'Provided with the financial support of the European Union' in the operational language of the EU programme and in the local language. Other emblems, such as the logos of the implementing partner and other donors, may appear on vehicles, but the EU emblem must be displayed at least as prominently as those of the other partners.

In our case, project team will provide visibility materials, after signature of the supply contract.

Article 10 Origin

- 10.1 All goods purchased must originate in a Member State of the European Union or a country covered by the ENI CBC programme. For these purposes, 'origin' means the place where the goods are mined, grown, produced or manufactured and/or from which services are provided. The origin of the goods must be determined according to the EU Customs Code or to the relevant international agreement applicable.

Article 11 Performance guarantee

- 11.1 No performance guarantee is required.

Article 12 Liabilities and Insurance

- 12.1a) No requirements for liability for damages is required as the **Final Acceptance Certificate** will be done by the Contracting Authority, where the Contracting Authority will carefully verify the quality of the goods.
- 12.2a), paragraph 1 Insurance requirements shall be in line with the specific general conditions for supply contracts financed by the European Union according to PRAG 2016.0 and/ or according to the tender dossier.
- 12.2a), paragraph 2 Insurance requirements shall be in line with the specific general conditions for supply contracts financed by the European Union according to PRAG 2016.0 and/ or according to the tender dossier.
- 12.2b), paragraph 2 The Contracting Authority requires that the carriage of supplies be covered by a "transportation" insurance policy. The insurance must cover loading, transportation, intermediate storage, unloading, including stowage and protection, theft, damage, loss, wetting, etc.

Article 13 Programme of implementation of tasks

- 13.2 The implementation of the Contract shall commence from the date of signature of this contract by both parties. The delivery of the vehicle shall be 30 days the most.

Article 15 Sufficiency of tender prices

15.1 Additional provisions regarding insurance and maintenance for one year:

The financial offer should also contain maintenance for one calendar year.

Article 16 Tax and customs arrangements

16.1 The supply of the goods in the framework of EU Programmes in the Republic of Moldova are not subject to any taxes or custom duties/payments.

Financial offer should NOT include any tax or custom duty.

All necessary documents related to exempt from VAT with the right of deduction based on Government Decision no. 246/2010 will be provided.

Article 17 Patents and licences

17.1 No requirement for patents and licences

Article 18 Commencement order

18.1 Commencement order should correspond with the data of supply contract signature.

Article 19 Period of implementation of the tasks

19.1 Implementation period of the tasks must not be higher than the data indicated in the supply contract - 30 calendar days.

Article 24 Quality of supplies

24.2 The supply of goods must in all respects satisfy the technical specifications laid down in the contract and conform in all respects to the requirements in the contract and/ or technical specifications. The quality of goods shall be accepted against the Final Acceptance Certificate.

Article 25 Inspection and testing

25.2 No requirements for inspection and testing for new goods guaranteed by manufactory needed.

Article 26 General principles for payments

26.1 Payments shall be made in MDL.

Payments shall be authorised and made by Exceptional Situations Department of Chisinau General Inspectorate for Emergency Situations.

26.5 In order to obtain payments, the Contractor must forward to the authority referred to in paragraph 26.1 above:

a) By derogation from article 26.5 of the General Conditions no pre-financing guarantee is required.

26.9 The Contract does not include a price revision clause.

Article 27 Delayed payments

27.2 By derogation from Article 28.2 of the General Conditions, once the deadline laid down in Article 26.3 has expired, the Contractor shall, upon demand, be entitled to late-payment interest at the rate and for the period mentioned in the General Conditions. The demand must be submitted within two months of receiving late payment.

Article 28 Delivery

28.3 No specific requirements for packaging

Article 31 Provisional acceptance

The Certificate of Provisional Acceptance must be issued using the template in Annex C11.

The provisional acceptance document should be signed after careful inspection of the goods by beneficiary team before payment of the goods.

Article 32 Warranty obligations

32.6 No additional obligations under the warranty, e.g. commercial warranty, required.

32.7 The warranty must remain valid for 1 (one) year after provisional acceptance.

Article 33 After-sales service

33.1 As per tender document dossier, the supply agent should provide after-sale service and maintenance according to technical description. The financial offer should also contain these costs.

Article 40 Settlement of disputes

40.4 Any disputes arising out of or relating to this Contract which cannot be settled otherwise shall be referred to the exclusive jurisdiction of Republic of Moldova in accordance with the national legislation of the state of the Contracting Authority.

Article 44 Data Protection

Not applicable.
